## **GRI Content Index** 2018

Category	Aspects	Indicator	Description	References and Comments
		102-49	Changes in reporting	The most recent materiality analysis identified new material topics for the Haniel Holding Company, replacing the action areas previously reported on by the Group (Employees, Value-added chain and Innovation). In 2018, the report ceased coverage of these topics. Since the Holding Company primarily contributes to the effects of the new material topics, the divisions are not necessarily included in the corresponding disclosures beginning in 2018.
